To Whom It May Concern: Re Docket 2006-HIST-002

We write to support Tony Leone, Proprietor of the Pasfield House, in his efforts to secure necessary licenses and permits that will allow him to operate a catering kitchen in the Pasfield basement for service of food and alcohol both on site and off. It is our understanding that the Pasfield House will be considered a Bed Breakfast and Tourist Home that will cater to tourists and meeting attendees.

Lincoln Land Community College has an extensive culinary program and last year offered a specialty class at the Pasfield House. The focus was to prepare a gourmet dinner as one in the series of Pasfield House Presidential Dinners. The theme was Abraham Lincoln, the menu was extensively researched, and the experience was similar to one the participants would have enjoyed at the Lincoln White House.

The college has approached Mr. Leone about hosting additional college culinary classes through non-credit community education in the kitchen he has recently installed. This is a grand setting and will be an ideal location for a variety of culinary and related classes.

We support Mr. Leone in this effort and look forward to a long relationship with him and the Pasfield House.

Sincerely,

John Allen,  
Coordinator, Community Learning
