Springfield, IL 62704

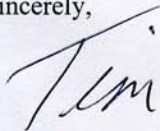

Dear Tony,

Thank you for again hosting Decanted Delights to benefit the Springfield Green project at the best garden venue in town, the Pasfield House. The event was once again a great success, bringing new faces and new excitement to our clean and green initiative.

The Springfield Green effort to beautify the capital city area is driven with the support of those like you that take a deep interest in the improvement of this city. Through landscaping and beautification projects, Springfield Green is spurring the private sector in taking on property improvement projects, which are good for economic development and are increasing property values. In addition, Springfield Green was just awarded the 2007 Roadside Beautification Award for Illinois Department of Transportation's Region 4 by Garden Clubs of Illinois for landscaping projects along various state routes.

I truly appreciate your generous contribution to the Springfield Green cause for the Decanted Delights wine soiree. Your support marks your serious commitment to city beautification and sets a great example for others to follow. On behalf of the citizens of Springfield, I extend a sincere thanks and appreciation for your contribution to this very important civic project.

Sincerely,

Timothy J. Davlin
Mayor
